Creating a Google Account will enable Web History. Web History is a feature that will provide you with a more personalized experience on Google that includes more relevant search results and recommendations. [Learn More](#)

☒ Enable Web History.

## Space

Whether you're using the new look or the old look, use the web, your desktop, or a mobile device, you have 15GB of storage for ALL things Google

## Adding to Your Drive from the Web

- Upload files
  - Single file upload
  - Multiple file upload (may depend on browser)
  - Configure the default settings

- Create from scratch using the *Create* option

## Adding to Your Drive using the Desktop App

- Install the App
- Upload files
  - Drag and drop into Google Drive folder

- Create from scratch
  - offline versions of Google Docs, Sheets, or Slides

## Creating from Scratch

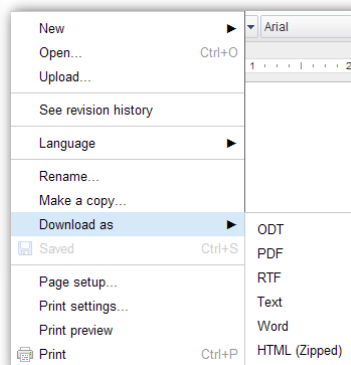

- All of the applications Open, Save, and Share the same way.
- If you are familiar with the MS Office suite, using these tools will be easy.
- Although each application has expanded its feature set, not everything is available.

## File Input / Output
